The Lady's Got Style

Dedication '87-'88

The yearbook staff of 1987-'88 would like to dedicate its annual to Ms. Milena Balthrop. Using her knowledge, humor, and ability to relate to freshmen minds, she has been an inspiration to us all.

Ms. Balthrop has been a faculty member for five years, teaching freshman English and journalism.

It comes from our heart when we say, "Thank you for your time and friendship." With love, the yearbook staff of 1987-1988.

THE EIGHTY NINE

PEOPLE

Friends Forever

Never has there been a senior class that is closer than the class of 1988. There are about fifteenth seniors that have been going to school together for almost thirteen years. The ties that bind us together are stronger than anything ever experienced. We have shared good times and bad times. Our lives have been filled with tears and laughter. When the time comes for us to leave each other and go out into the world, it will be hard — but we must realize that in our hearts we will always be together.

Kenny Young shows his reaction to leaving his friends in high school.

From the looks on David Luttrell and David Bryant's face, they don't want to leave either.

Teresa doesn't look thrilled — but then again — when does she?

"Say what?"

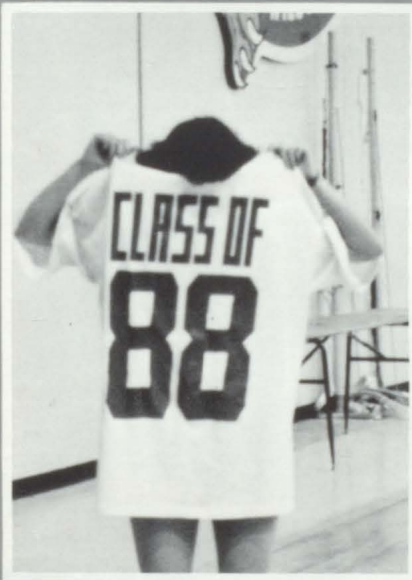

Stephen Feasel makes a vow to hold his breath until he turns blue, if he is forced to leave his friends.

Seniors Going Out In Style

CLASS OF '90

When the majority of the sophomore class stood up during the pep rallies and sang the national anthem, it made the student body realize how close that class is. They are one of the most friendly and spirited classes of the entire school. For example, when a new student enrolls, it's most likely they will meet a sophomore first, but that depends on how good looking they are. Can you imagine how awesome this class will be? Wow!!

Pep Rallies, for most, was a time to share in school spirit. Some showed spirit in the stands while others helped in making them a success. The cheerleaders put tremendous amounts of effort into the pep rallies this year. They had a different theme almost every week. The themes included days such as pajama day, circus day, punk day, and grandma day-just to name a few. The cheerleaders also did dance numbers which were unique. To tie in with these dances, the flag corp and majorettes twirled, yet without the band to back them up with their tunes they couldn't have done it. What would a pep rally be without the band anyway? A thank you needs to go to the pep-squad for getting the fans pepped-up in the stands. Much hard work, dedication, and practice went into making our 1987 pep rally's the way they were meant to be #1!!!!

Homecoming - Texas Style

There is only one other thing in Texas that is more important than football . . . HOMECOMING! As the beloved words of the Alma Mater ring through the gym, memories are in the making. Football players look back at those hot summer practices. Band members remember marching back and forth on the parking lot. In just a few hours, the real fun would begin. The guys had not let us down, and were not going to start now. Lake Worth had to succumb to the power of a team whose potential exploded on the field with a 21-0 shutout victory. The Homecoming festivities started with a performance from the Wildcat Band. Then, the Homecoming court was announced along with Homecoming Queen nominees: Tiffany Barnes, Michelle Holston and Laurie Shirley. The magical moment had arrived! The crowd went wild as last year's Queen, Amy Patterson, crowned Michelle Holston as the Kennedale High School Homecoming Queen for 1987-1988.

The winners! Michelle Holston and Kenny Young

The Big Moment

The moment finally arrived when Ms. Bennett announced the Homecoming King. The entire Wildcat gym became silent. Everyone was anxiously waiting for the winner. After a long pause, his name was announced. Kenny Young's name was heard over the entire Wildcat gym. He was the new Homecoming King. Yells, cheers, and whistles were heard from the stands. The Wildcats were pleased with the choice.

The roller coaster ride of Varsity Volleyball '87 was a season with members totaling eleven. Pre-season began with ten members, then nine, who began the task of polishing that winning shine. We were on top with 5 wins and no defeats, then the tournaments began their feats. Melissa, having that experienced set, captured "All Tournament MVP", no sweat. Qzonna, our captain, with the "Kats" following her lead; began to play tall, trying never to concede. Tammie was there with deceiving serves floating, dropping, and full of curves. Michelle was impressive with that awesome jump and positive attitude so necessary for triumph. Loosing Vicki to injury and Melissa to grades; started our roller coaster downhill raides. The spark of the season was Rachel Lopez; taking the lead and playing with such finesse. Tawny was always there in a very big way; starting to block and hit and making it pay. Jana, the gusty one, was on the floor and in the air hitting, saving, and asking for more. Lori was in there from the very beginning with serves and play of determination to keep us winning. Then there was Tina, who stepped in without blinking an eye; she filled some bid gaps, and that's no lie. Finally we leveled off, and we got off the ride; placing "Third" in "District" is nothing to hide. We finished our season at thirteen and eleven, and, "KATS", wasn't it fun? Volleyball '87.

What can a coach say when her team wins the district championship? . . . except that it was fun and that *WE DESERVED IT!!!!* Beating Alvarado for the district title was a sweet way to end a great season.

Although we did experience some frustration along the way, the girls worked hard, maintained positive attitudes, and kept smiles on their faces throughout.

These girls have tremendous potential as athletes. They're WINNERS, they're WILDCATS, and they're my FROSH!!!

Football

In the 1987 season, the Wildcats were on a roller coaster. With spectacular wins and disappointing losses, all and all, the team never lost that Wildcat spirit. Courage and effort were something that always prevailed. Since the seniors, who played a very important role, will be leaving, returning letterman will be filling their spaces. Even though this football season was not as successful as in the past, the Wildcats will bounce back and do their very best in coming seasons.

TALE OF THE WILDCATS

The Coaches were very optimistic about the future of these players. They showed a lot of spirit and determination throughout the year. The freshmen team was able to play a few games since most other schools had a combined Freshman-J.V. team. After the teams merged together, the J.V. became a combination of freshmen, sophomores, and juniors. These Wildcats ended their season on a winning note in their last two games. We look forward to all these players returning for varsity season.

WILDCAT
WARM-UP

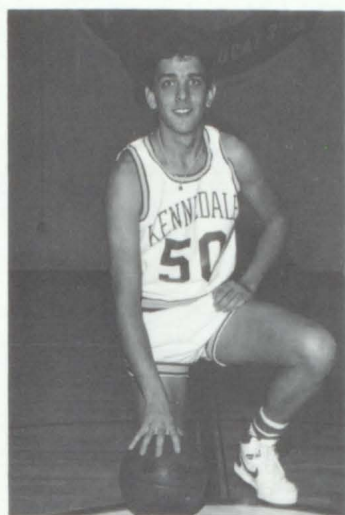

The Wildcat Varsity season began with an exciting surprise, a new coach. This coach brought the team a new spirit. He instilled this spirit into the heart of every varsity Wildcat giving them the desire to win. He also took the team to relearn the basics and learn new ways of playing. Practice became a grueling two and a half hour session where basketball was the only thing spoken. After the workouts and scrimmages, the district season opened for the Wildcats. The away games were tough for Wildcats because they had few fans. When the cats came home though, they earned the name of the "Fighting Wildcats". The home games were always crowd pleasers. The crowd pushed the Wildcats to acquire the first district wins in over two years. As the season came to a close, seniors looked back on many great memories while the sophomores look forward to the next year.

National Honor Society

The National Honor Society had great success in their Christmas toy drive. The toys were given to the Oak Grove Home for Abused Children. Although some children were reluctant to accept the gifts at first, the Christmas Spirit soon conquered their fear.

STUDENT COUNCIL

This year the Student Council outstretched its arms to help the community. The council collected around 500 canned foods that were given to two needy families in the area. The council also helped out the school by providing a monthly-published Calendar of Events. The fund raiser for the year was the "Wildcatjammin" t-shirt and short set.

HELLO VICKY AND STEPHANIE

Our Principal Mr. Burns

THIS YEAR MR. BURNS FOUNDED A NEW CLUB FOR THE JR. HIGH THAT DEALS WITH PEER PRESSURES OF TODAY'S YOUTHS. THE "THE JUST SAY NO CLUB" HELPS STUDENTS SAY "NO" TO DRUGS AND ALCOHOL.

3 STEPS TO SAY NO

1. Figure out if what your friend wants to do is ok.
2. If it's wrong, say No.
3. Suggest other things to do instead.

About one boy in fifty will remain after the feast and of his own accord offer to help clear the things up or to wash the dishes. Do you know this Fiftyeth Boy? There are forty-nine boys who are seeking jobs; the job seeks the Fiftyeth Boy. The Fiftyeth Boy makes glad the heart of his parents. The Fiftyeth Boy smooths the wrinkles out of his teacher's forehead, and takes the worry out of her mind. All the grouches and sour-faces brighten when they see the Fiftyeth Boy coming, for he is brave and cheery. The forty-nine "didn't think"; the Fiftyeth Boy thinks. The Fiftyeth Boy makes a confidant of his mother and a pal of his father. He does not lie, steal, nor tattle, because he does not like to. When he sees a banana peel on the sidewalk, where it is liable to cause someone to slip and fall, or a piece of glass in the road where it may punc-

ture a tire, he picks it up. The forty-nine think it's none of their business. The Fiftyeth Boy is a good sport. He does not whine when he loses. He does not sulk when another wins the prize. He does not cry when he is hurt. He is respectful to all women and girls. He is not afraid to do right nor, ashamed to be decent. He looks you straight in the eye. He tells the truth, whether the consequences to him are unpleasant or not. He is not a prig, nor a sissy, but he stands up straight and is honest. Forty-seven out of the forty-nine like him. He is pleasant toward his own sister as toward the sisters of other fellows. He is not sorry for himself. He works as hard as he plays. Everybody is glad to see him. Do you have that kind of a boy at your house? If not, don't complain, there are not enough to go around.

REMEMBER?

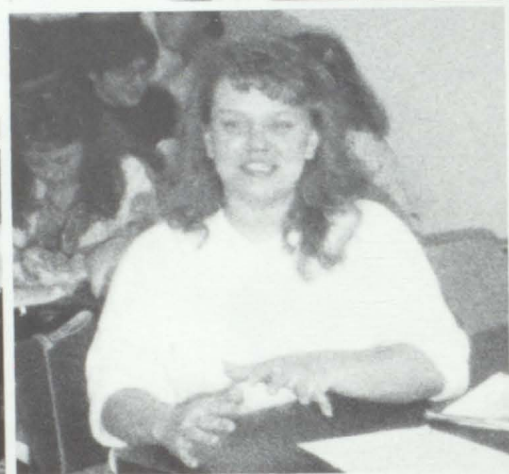

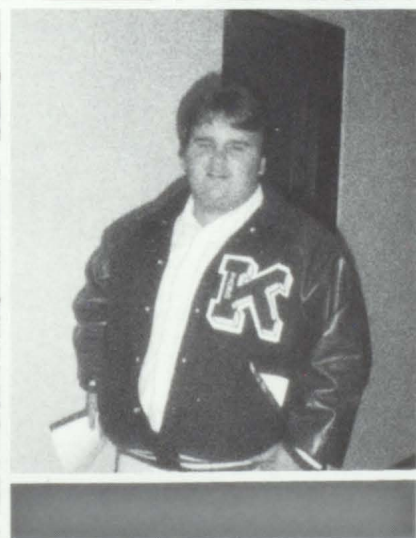

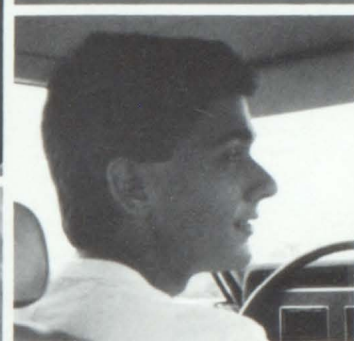

As we reach out our hand
 The times we grasp
 While we think of the memories
 Of the years in our past
 Tears fill our eyes
 Because its' all gone,
 We're starting a new life
 We have to move on.
 We hope friends will keep in touch
 As the years go by
 Although it hurts inside
 We'll be strong —
 And we'll not cry.
